1. Information We Collect

We collect different types of information from or through the Service. We may collect personally identifiable information about you, such as your full name, phone number, email address, or similar, when you contact us about solutions and services, to make any queries and to send any feedback. The legal bases for SmarTech's processing of personal data are primarily that the processing is necessary for providing the Service in accordance with SmarTech's Terms of Service and that the processing is carried out in SmarTech's legitimate interests, which are further explained in the section "How We Use the Information We Collect" of this Policy. We may also process data upon your consent, asking for it as appropriate.

1.1 User-provided Information

When you use the Service, as a User or as a Visitor, you may provide, and we may collect Personal Data. Examples of Personal Data include name, email address, mailing address, mobile phone number, and credit card or other billing information. Personal Data also includes other information, such as geographic area or preferences, when any such information is linked to information that identifies a specific individual. You may provide us with Personal Data in various ways on the Service. For example, when you register for an Account, use the Service, post Client Data, interact with other users of the Service through communication or messaging capabilities, or send us customer service -related requests.

1.2 Information Collected by Clients

A Client or User may store or upload into the Service Client Data. SmarTech has no direct relationship with the individuals whose Personal Data it hosts as part of Client Data. Each Client is responsible for providing notice to its customers and third persons concerning the purpose for which Client collects their Personal Data and how this Personal Data is processed in or through the Service as part of Client Data.

1.3 "Automatically Collected" Information

When a User or Visitor uses the Service, we may automatically record certain information from the User's or Visitor's device by using various types of technology, including cookies, "clear gifs" or "web beacons." This "automatically collected" information may include IP address or other device address or ID, web browser and/or device type, the web pages or sites visited just before or just after using the Service, the pages or other content the User or Visitor views or interacts with on the Service, and the dates and times of the visit, access, or use of the Service. We also may use these technologies to collect information regarding a Visitor or User's interaction with email messages, such as whether the Visitor or User opens, clicks on, or forwards a message. This information is gathered from all Users and Visitors.

1.4 Integrated Services

You may be given the option to access or register for the Service through the use of your user name and passwords for certain services provided by third parties (each, an "Integrated Service"), such as through the use of your Google account, or otherwise have the option to authorize an Integrated Service to provide Personal Data or other information to us. By authorizing us to connect with an Integrated Service, you authorize us to access and store your name, email address(es), date of birth, gender, current city, profile picture URL, and other information that the Integrated Service makes available to us, and to use and disclose it in accordance with this Policy. You should check your

privacy settings on each Integrated Service to understand what information that Integrated Service makes available to us and make changes as appropriate. Please review each Integrated Service's terms of use and privacy policies carefully before using their services and connecting to our Service.

1.5 Information from Other Sources

We may obtain information, including Personal Data, from third parties and sources other than the Service, such as our partners, advertisers, credit rating agencies, and Integrated Services. If we combine or associate information from other sources with Personal Data that we collect through the Service, we will treat the combined information as Personal Data in accordance with this Policy.

2. How We Use Information We Collect

We use the information that we collect in a variety of ways in providing the Service and operating our business, including the following:

2.1 Operations

We use the information – other than Client Data - to operate, maintain, enhance and provide all features of the Service, to provide the services and information that you request, to respond to comments and questions and to provide support to users of the Service. We process Client Data solely in accordance with the directions provided by the applicable Client or User.

2.2 Improvements

We use the information to understand and analyse the usage trends and preferences of our Visitors and Users, to improve the Service, and to develop new products, services, feature, and functionality. Should this purpose require SmarTech to process Client Data, then the data will only be used in anonymised or aggregated form.

2.3 Communications

We may use a Visitor's or User's email address or other information – other than Client Data – to contact that Visitor or User (i) for administrative purposes such as customer service, to address intellectual property infringement, right of privacy violations or defamation issues related to the Client Data or Personal Data posted on the Service or (ii) with updates on promotions and events, relating to products and services offered by us and by third parties we work with. You have the ability to opt-out of receiving any promotional communications as described below under "Your Choices."

2.4 Cookies and Tracking Technologies

We use automatically collected information and other information collected on the Service through cookies and similar technologies to: (i) personalize our Service, such as remembering a User's or Visitor's information so that the User or Visitor will not have to re-enter it during a visit or on subsequent visits; (ii) provide customized content, and information; (iii) monitor and analyse the effectiveness of Service and third-party marketing activities; (iv) monitor aggregate site usage metrics such as total number of visitors and pages viewed; and (v) track your entries, submissions, and status in any promotions or other activities on the Service.

SmarTech uses Google Analytics and Cookies in order to improve our service, user experience and analyse how the website is used. Aside from the approximate location (IP address), the information collected by Google Analytics is mostly anonymous traffic data, including browser information, device information, language. We do not collect additional information, such as age, gender, interests, bank details or clickstream. The collected information is used to provide an overview of how people are accessing and using the SmarTech website. It is not used for any additional purpose, such as profile those who access our website.

You can obtain more information about cookies by visiting <http://www.allaboutcookies.org>.

3. To Whom We Disclose Information

Except as described in this Policy, we will not intentionally disclose the Personal Data or Client Data that we collect or store on the Service to third parties without the consent of the applicable Visitor, User or Client. We may disclose information to third parties if you consent to us doing so, as well as in the following circumstances:

3.1 Unrestricted Information

Any information that you voluntarily choose to include in a Public Area of the Service, such as a public profile page, will be available to any Visitor or User who has access to that content.

3.2 Service Providers

We work with third party service providers who provide website, application development, maintenance, and other services for us. These third parties may have access to, or process Personal Data or Client Data as part of providing those services for us. We limit the information provided to these service providers to that which is reasonably necessary for them to perform their functions, and our contracts with them require them to maintain the confidentiality of such information.

3.3 Non-Personally Identifiable Information

We may make certain automatically-collected, aggregated, or otherwise non-personally-identifiable information available to third parties for various purposes, including (i) compliance with various reporting obligations; (ii) for business or marketing purposes; or (iii) to assist such parties in understanding our Clients', Users' and Visitors' interests, habits, and usage patterns for certain programs, content, services, and/or functionality available through the Service.

3.4 Law Enforcement, Legal Process and Compliance

We may disclose Personal Data or other information if required to do so by law or in the good-faith belief that such action is necessary to comply with applicable laws, in response to a facially valid court order, judicial or other government subpoena or warrant, or to otherwise cooperate with law enforcement or other governmental agencies.

We also reserve the right to disclose Personal Data or other information that we believe, in good faith, is appropriate or necessary to (i) take precautions against liability, (ii) protect ourselves or others from fraudulent, abusive, or unlawful uses or activity, (iii) investigate and defend ourselves against any third-party claims or allegations, (iv) protect the security or integrity of the Service and any facilities or equipment used to make the Service available, or (v) protect our property or other legal rights, enforce our contracts, or protect the rights, property, or safety of others.

3.5 Change of Ownership

Information about Users and Visitors, including Personal Data, may be disclosed and otherwise transferred to an acquirer, successor or assignee as part of any merger, acquisition, debt financing, sale of assets, or similar transaction, as well as in the event of an insolvency, bankruptcy, or receivership in which information is transferred to one or more third parties as one of our business assets and only if the recipient of the User or Visitor Data commits to a Privacy Policy that has terms substantially consistent with this Privacy Policy.

Client Data may be physically or electronically transferred to an acquirer, or successor or assignee as part of any merger, acquisition, debt financing, sale of assets, or similar transaction, as well as in the event of an insolvency, bankruptcy, or receivership in which information is transferred to one or more third parties as one of our business assets, for the sole purpose of continuing the operation of the Service, and only if the recipient of the Client Data commits to a Privacy Policy that has terms substantially consistent with this Privacy Policy.

4. Your Choices

4.1 Access, Correction, Deletion

We respect your privacy rights and provide you with reasonable access to the Personal Data that you may have provided through your use of the Services. You have the right to request access to the information we have on you. You can do this by contacting us at info@smartech.mu. We will make sure to provide you with a copy of the data we process about you. In order to comply with your request, we may ask to verify your identity. We will fulfil your request by sending your copy electronically, unless the request expressly specifies a different method. For any subsequent access request, we may charge you with an administrative fee.

If you wish to access or amend any other Personal Data we hold about you, or to request that we delete or transfer any information about you that we have obtained from an Integrated Service, you may contact us as set forth in the “How to Contact Us” section. At your request, we will have any reference to you deleted or blocked in our database.

You may decline to share certain Personal Data with us, in which case we may not be able to provide to you some of the features and functionality of the Service

At any time, you may object to the processing of your Personal Data, on legitimate grounds, except if otherwise permitted by applicable law. If you believe your right to privacy granted by applicable data protection laws has been infringed upon, please contact us at info@smartech.mu. You also have a right to lodge a complaint with data protection authorities.

This provision does not apply to Personal Data that is part of Client Data. In this case, the management of the Client Data is subject to the Client’s own Privacy Policy, and any request for access, correction or deletion should be made to the Client responsible for the uploading and storage of such data into the Service.

4.2 Opting out from Commercial Communications

If you receive commercial emails from us, you may unsubscribe at any time by following the instructions contained within the email or by sending an email to the address provided in the “How to Contact Us” section.

Please be aware that if you opt-out of receiving commercial email from us or otherwise modify the nature or frequency of promotional communications you receive from us, it may take up to ten (10) business days for us to process your request. Additionally, even after you opt-out from receiving commercial messages from us, you will continue to receive administrative messages from us regarding the Service.

SmarTech has no direct relationship with the Client’s customers or third party whose Personal Data it may process on behalf of a Client. An individual who seeks access, or who seeks to correct, amend, delete inaccurate data or withdraw consent for further contact should direct his or her query to the Client or User they deal with directly. If the Client requests SmarTech to remove the data, we will respond to its request within thirty (30) days. We will delete, amend or block access to any Personal Data that we are storing only if we receive a written request to do so from the Client who is responsible for such Personal Data, unless we have a legal right to retain such Personal Data. We reserve the right to retain a copy of such data for archiving purposes, or to defend our rights in litigation. Any such request regarding Client Data should be addressed as indicated in the “How to Contact Us” section and include sufficient information for SmarTech to identify the Client or its customer or third party and the information to delete or amend.

5. Third-Party Services

The Service may contain features or links to web sites and services provided by third parties. Any information you provide on third-party sites or services is provided directly to the operators of such services and is subject to those operators’ policies, if any, governing privacy and security, even if accessed through the Service. We are not responsible for the content or privacy and security practices and policies of third-party sites or services to which links or access are provided through the Service. We encourage you to learn about third parties’ privacy and security policies before providing them with information.

6. Minors and Children’s Privacy

Protecting the privacy of young children is especially important. Our Service is not directed to children under the age of 18, and we do not knowingly collect Personal Data from children under the age of 18 without obtaining parental consent. If you are under 18 years of age, then please do not use or access the Service at any time or in any manner. If we learn that Personal Data has been collected on the Service from persons under 18 years of age and without verifiable parental consent, then we will take the appropriate steps to delete this information. If you are a parent or guardian and discover that your child under 18 years of age has obtained an Account on the Service, then you may alert us at info@smartech.mu and request that we delete that child’s Personal Data from our systems.

The Service is not intended to be used by minors and is not intended to be used to post content to share publicly or with friends. To the extent that a minor has posted such content on the Service, the minor has the right to have this content deleted or removed using the deletion or removal options detailed in this Privacy Policy. If you have any question regarding this topic, please contact us as indicated in the “How to Contact Us” section. Please be aware that, although we offer this

deletion capability, the removal of content may not ensure complete or comprehensive removal of that content or information.

7. Data Security

We follow generally accepted industry standards to protect the information submitted to us, both during transmission and once we receive it. We maintain appropriate administrative, technical and physical safeguards to protect Personal Data against accidental or unlawful destruction, accidental loss, unauthorized alteration, unauthorized disclosure or access, misuse, and any other unlawful form of processing of the Personal Data in our possession. This includes, for example, firewalls, password protection and other access and authentication controls. We use SSL technology to encrypt data during transmission through public internet, and we also employ application-layer security features to further anonymise Personal Data.

However, no method of transmission over the Internet, or method of electronic storage, is 100% secure. We cannot ensure or warrant the security of any information you transmit to us or store on the Service, and you do so at your own risk. We also cannot guarantee that such information may not be accessed, disclosed, altered, or destroyed by breach of any of our physical, technical, or managerial safeguards. If you believe your Personal Data has been compromised, please contact us as set forth in the “How to Contact Us” section.

If we learn of a security systems breach, we will inform you and the authorities of the occurrence of the breach in accordance with applicable law.

8. Data Retention

We only retain the Personal Data collected from a User for as long as the User’s account is active or otherwise for a limited period of time as long as we need it to fulfil the purposes for which we have initially collected it, unless otherwise required by law. We will retain and use information as necessary to comply with our legal obligations, resolve disputes, and enforce our agreements as follows:

- the contents of closed accounts are deleted within 3 months of the date of closure;
- backups are kept for 3 months;
- information on legal transactions between Client and SmarTech is retained for a period of 10 years

9. Settings

Although we may allow you to adjust your privacy settings to limit access to certain Personal Data, please be aware that no security measures are perfect or impenetrable. We are not responsible for circumvention of any privacy settings or security measures on the Service. Additionally, we cannot control the actions of other users with whom you may choose to share your information. Further, even after information posted on the Service is removed, caching and archiving services may have saved that information, and other users or third parties may have copied or stored the information available on the Service. We cannot and do not guarantee that information you post on or transmit to the Service will not be viewed by unauthorized persons.

10. Data Controller and Data Processor

SmarTech processes Personal Data both as a Processor and as a Controller, as defined in the European Union's General Data Protection Regulation (Regulation (EU) 2016/679, hereinafter "GDPR"), and has the associated responsibilities under the GDPR. The SmarTech entity which you, as a User, entered an agreement with when using SmarTech's Service will be the Controller for User Data.

All data collected by SmarTech Users through surveys will be stored exclusively in secure hosting facilities at SmarTech's in-house Data Centre. SmarTech therefore ensures compliance with the Directive. All hosting is performed in accordance with the highest security regulations.

11. Changes and Updates to this Policy

Please revisit this page periodically to stay aware of any changes to this Policy, which we may update from time to time. If we modify the Policy, we will make it available through the Service, and indicate the date of the latest revision, and will comply with applicable law. Your continued use of the Service after the revised Policy has become effective indicates that you have read, understood and agreed to the current version of the Policy.

12. How to Contact Us

Please contact us with any questions or comments about this Policy, your Personal Data, our use and disclosure practices, or your consent choices by email at info@smartech.mu. If you have any concerns or complaints about this Policy or your Personal Data, you may contact us at:
